RESPONSE TO RESTRICTION REQUIREMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, Virginia 22313-1450

Sir:

In complete response to the Official Action dated July 9, 2007, Applicants elect the species wherein the substitution at position 389 is to alanine, which is readable on SEQ ID NO:62 for further prosecution at this time. All pending claims (Claims 1, 63-71, 72-73 [withdrawn], 74, 75 [withdrawn], 76 and 77 [withdrawn]) are readable thereupon.
